Faela has built their fanbase on endless touring, great songwriting and explosive live shows. They are one of those bands who reminds us of the unifying power of music, making audiences sing and dance together regardless of any age, ethnicity or religion. Now they are booking a release tour for their upcoming album **Latin Animal Beats**.

The six musicians with roots in Argentina, England, Brazil, Spain and Sweden met in the city of Malmö in the south of Sweden. Each member with a unique musical and artistic background. One was a renowned jazz musician, one a self taught street musician and another a homeless acrobat. Out of this emerged the liveshow and the sound of Faela! A ruthless mixture of jazz, rock and just about every latin genre there is.

The band was formed in 2007 in Malmö, Sweden. Since then they have released 4 albums and 1 EP. They have played nearly 1000 shows on festivals and clubs all over Europe and in South America. The ever growing fan base show that Faela truly is irresistible!
