

# *Dancing Marabù* **SANPIETRINI** Revised

"Sanpietrini" is a vibrant show where two clowns, jugglers and musicians, meet to perform a diabolos and handstands acts in an incredible harmony with live music. They will do everything possible to make the public astonished, enjoy and laugh with their original and incredible tricks and gags

The show is the result of an artistic creation born in 2006 in Barcelona by the argentine company Dancing Marabu formed by Tomás Taboada and Hugo Coronel, revised and renewed in 2020 with the support of the "SaRuga" festival in Cagliari, Sardinia.

# Dancing Marabù

**Tomás Taboada:** he has been a circus artist for almost 20 years. He studied circus in "Carampa" and "Rogelio Rivel" spanish circus schools. He specializes in juggling diabolos and handstands. He also studied clown, contemporary dance and physical theater. He has created and performed shows in festivals, cabarets, theaters and circus galas all around the world with many diferents companys.

**Hugo Coronel:** Born into a family of musicians, he is a professional drummer, guitarist and composer. As a drummer he has performed in countless rock, ska, reggae and swing groups. He created his own musical groups: "Narguile" and "Faela" with which he make international tours. He studied clown and handstands in Carampa and Alcorcon spanish circus schools.
